July 29, 2016

Dear Seton Families:

To better serve our families in the 2016-17 school year, we are introducing a new online lunch and billing program called EZ School Apps. The login for this website can be found at <https://www.ezparentcenter.com/>.

Highlights of this new program include:

- Access to each child's lunch details
- Access to After School Care and other fees on your account
- Ability to add money to your account with a credit card (convenience fees apply)

Instructions about creating an account with EZ School Apps are posted on our website and can also be found at [this link](#). Once you have created an account with EZ School Apps you will see two tabs connected with the account.

- EZ School Lunch POS – This is where all lunch related actions will be located
- EZ School Payment – This is where all After School Care and any other miscellaneous billing actions will be located. This does **NOT** include tuition payments. Tuition will still be managed using the FACTS system.

Cash or checks may still be sent to the school. Payment must be in an envelope clearly marked "LUNCH" or "AFTER SCHOOL CARE" along with the amount to be applied to each child. (If not specified, payment will be divided evenly between all children in the household.)

**As in past school years, all lunch accounts are to be prepaid.**

Monthly lunch menus will continue to be posted on our website on the Lunch and Family Accounts page.

If you have any questions, concerns or need help navigating the new website we will be happy to assist you!
