

Dear Potential Sponsor,

The Seton Catholic Athletic Department would like to extend an opportunity to you!

As you know, it takes a great deal of time and money to organize and run an athletic program, especially baseball and softball. Monies are needed to cover league fees, umpire fees, field maintenance, team equipment and tournament expenses. We are offering individuals and businesses the opportunity of sponsorship to help offset some of the costs incurred.

Any monetary donation would be truly appreciated and would help our teams tremendously. Donations to the Seton Catholic Athletic Department are tax deductible. As a sponsor, your name will be placed either on a sign displayed on the outfield fence or be placed on the team uniforms. If you are able to donate at this time, please complete the enclosed sponsorship form.

If you have any questions, or would like additional information about our organization or other ways to help our teams, please contact:
