

November 1, 2017

Dear Parents,

Welcome to another Indiana winter. That means cold weather and lots of basketball...and gymnastics! We may not love the weather, but we love our winter sports. Our teams have already begun practices and I'm sure they will do a great job of representing us this year. I am excited to say that we have many home games this winter. As I am sure you know, it takes a lot of work to host athletic contests. Each year I ask our parents to assist in selling tickets and cleaning up at these home games. Let me tell you that I sincerely appreciate the help at these games because I could not do it without you.

I have created a list of all home games and the assistance I need at each of these games. We will have a brief window for parents to sign up for these slots. After this window closes, I will assign parents to each of these slots to help out at each game. To the best of my abilities, I will make sure that you will not miss any of your child(ren)'s games as a result of helping at these games. All we need is for at least one parent of each athlete listed to show up on the assigned dates. **If you are scheduled to work tickets, please be at the game one hour prior to the start time.** Start times are listed on the list. Those selling tickets will sell tickets until approximately halftime of the last game of the night. If you are on the cleaning crew, please just help clean up after the games are over. All that you really need to do is clean up the bleachers and team benches.

Please be sure that you show up to the games you are scheduled to work. The reason we have parents work these games is that many hands make light work for all. As I am sure you know, many schools charge a participation fee for extracurricular activities. By assisting us, we do not have a need to have any participation fees. Believe me when I say that your help is greatly appreciated. If you know you cannot be present at an event you are scheduled to work, it is preferred that you try to switch dates with another family. If for some reason you cannot find anyone to cover for you, please e-mail me at ttremain@setonschools.org. There is nothing worse than to have nobody show up and have no advanced notice.

Thank you for your continued support of Seton Catholic Cardinals athletics and I look forward to another great season!!!

Sincerely,

Trent Tremain
