**Special information:**

This weekend is our homecoming weekend and we will have a lot of food, games and music, in addition to many sporting events, all happening at the same time. The temperatures are expected to be close to 90 degrees so please come with plenty of water and find shade where you can. The Taurel Building will not be available, but we have ordered several portable toilets to be placed close to the parking area of the Taurel Building.

A first aid station will be provided with 2 trainers on hand for the day to assist with injuries. This location is centrally located on campus near the track and field area.

**Admission:**

Since we want everyone to enjoy the festivities of the day, a gate fee will not be charged. However, food, beverages, and games hosted in our Fall Fest Area near the Blackwell building is available for sale. The food trucks take credit cards, but we encourage you to bring some cash for other items if you participate. The Fall Fest area is a fund raiser and a goodwill donation is appreciated.
