

Seton Catholic Schools Family Service (FiSH) Program & Tuition Rates

Family involvement has a great impact on student success. At Seton Catholic, we value the involvement of parents, guardians and grandparents in student life. Because we so strongly believe in the impact of your involvement, a discounted Family Service rate is being offered for families that are able to make a commitment to being involved in the school and parish. Each family is being asked to make a commitment to 40 hours of service over the course of the 2018-2019 school year.

Many families are already giving time, and some of you already far exceed the 40 hour benchmark being asked for. Thank you! Your service is invaluable. We hope it is as meaningful for you as it is for the school community.

For those of you that have not been as involved in the school and parish, we ask that you prayerfully consider making the commitment to the school and to your children of spending that time in service. While there are many opportunities during the school day, there are also many times during evening activities and during parish events that extra hands would be most welcome. We would like for every family to be able to make the commitment to that 40 hours.

Service for the 2018-2019 school year will begin on May 26, 2018, and will need to be completed by the last day of the 2018-2019 school year. Service hours done by JH and HS students for their service requirement will not be counted toward a family service total. To record your service hours, log into your ParentsWeb account through RenWeb..
