Parish Member, Parents, and Staff

As we prepare for the 2018-2019 school year, we are always looking for ways to make our school fundraising easier and more effective. One of the areas of focus for next year is our SCRIP Program. We have been working through several options to maintain the SCRIP program within the Parish and School. There are many variables that we have researched and have determined that the below program is the best option for fundraising for Seton Catholic Schools.

These are the changes to the SCRIP program retroactive to July 1, 2018

- Seton Catholic will retain 50% of all rebates generated plus a 2% administration fee.
- Families will designate, via the SCRIP Distribution Form, how they wish to utilize their remaining 48%. The form you're used to filling out, at the end of the school year, will reflect current distribution options as well as new options.
- **The portion of rebate retained by Seton will NOT be tax deductible.** However, any portion of the family rebate designated as a donation to Seton will be tax deductible.
- The rebate dollar amount on all box purchases and online purchases will still reflect 100% of the available rebate. The retained 52% rebate will be calculated at the end of the school year.

While change is never easy, this is the only option we have to keep the SCRIP program operating at St Elizabeth Ann Seton Parish and Seton Catholic Schools. We look to your continued support of our SCRIP Program and welcome all new uses too.

Sincerely;

Julie Bagby, Seton SCRIP Coordinator scrip@setonschools.org
