Dear Parents,

Welcome to a new school year and another year of Seton Catholic Cardinals athletics. We have many home games this fall for soccer and volleyball. As I am sure you know, it takes a lot of work to host athletic contests. Each year I ask our parents to assist in selling tickets and cleaning up at these home games. Let me tell you that I sincerely appreciate the help at these games because I could not do it without you.

Recently you may have received an e-mail regarding Eventlink. This is a new venture that we are really excited about and a tool that we believe you will find very useful as well. Over 300 IHSAA member schools are now using Eventlink and we are trying to utilize it to better serve you and help us in our daily activities. The e-mail you received or will receive in the future regarding Eventlink was initially an accident as I was simply setting up all fall sports parents as volunteers. What I actually did was save everyone the hassle of creating an account with Eventlink and trying to walk them through the process. You will find this useful as you will be able to go into schedules and select what you want to see. I believe you should also be able to sync events to your calendars. We really hope you enjoy the features of Eventlink.

I have created a list of all home games and the parents that I need to help out at each game. To the best of my abilities, I have made sure that you will not miss any of your child(ren)'s games as a result of helping at these games. **If you are scheduled to work tickets, please be at the game one hour prior to the start time.** Start times are shown on the list. Those selling tickets will sell tickets until approximately the halfway point of the last game of the night. If you are on the cleaning crew, please just help clean up after the games are over. All that you really need to do is clean up the bleachers and team benches. In addition to this list, I am setting everything up in Eventlink and it should also send automated e-mail reminders. In the initial stages, please don't simply rely on those but I believe that should be a great feature.

Please be sure that you show up to the games you are scheduled to work. The reason we have parents work these games is that many hands make light work for all. As I am sure you know, many schools charge a participation fee for extracurricular activities. By assisting us, we do not have a need to have any participation fees. Believe me when I say that your help is greatly appreciated. If you know you cannot be present at an event you are scheduled to work, it is preferred that you try to switch dates with another family. If for some reason you cannot find anyone to cover for you, please e-mail me at ttremain@setonschools.org. There is nothing worse than to have nobody show up and have no advanced notice.

Thank you for your continued support of Seton Catholic Cardinals athletics and I look forward to another great season!!!

Sincerely,

Trent Tremain
Athletic Director
Seton Catholic High School
